Windham High Anticipates Trimming
Bulkeley Tesm in Today's Game.

Bulkeley high school. New London, comes to this city today to try conclusions with the Windham high school nine on Windham field this afternoon. The local team is preparing to put another crimp in the Whalers' claims for the championship of the Eastern division. Westerly turned the trick quite handly Wednesday and Windham is apt to do likewise. She his been playing in hard luck all of the season, but is strongly determined to finish the season at the halfway mark or higher and by defeating the Bulkeleys can achieve the desired end.

Kelley is uncertain as to his being able to pitch and if he is not on the siab Manley will be on deck to shoot them over the size of a pea and his terrific speed is sure to count for a good deal.

Captain Leonard will put his mine upon the diamond from the following men: Leonard c, Kelley or Manley p, Jordan th, Walden or Morse 2b, Morse or Cotter 3b, Burns as, Frost if, Walden oor Linderberk cf, Gurley or Clark rf.

A big cheering section will be on hand to make things lively and a strenuous contest is keenly awaited. This is a postponal league game.

TROLLEY OPENING.

President Brick Appoints Committee for Celebration of South Coventry, Read's Completion.

President John E. Brick of the Willimantic business men's association on Friday appointed this committee to act jointly with that from the board of trade to arrange for a syitable celebration in connection with the offiof trade to arrange for a syitable celebration in connection with the offi

Sergt. Frank Young Promoted to Quartermaster—Two Beautiful Statues Arrive for High School-Serious Overcrowding at Brooklyn jall.

Danielson Friday.

George C. Haven of Attleboro was the guest of friends in Danielson on Friday. Ira F. Lewis of Jewett City was in

Friday.
Sergt, Frank Young has been advanced to be quartermaster of the Thirteenth company, C. A. C., succeeding Quartermaster Sergt. Harry W. Clarke, whose ter mot enlistment has expired.

Abel L. Recves has leased the Joy theater at Moosup. He will use it as a motion picture house and for various other entertainment purposes from time to time. The theater was built last year and has been conducted since by Frank Larose of Moosup, formerly of Danielson.

Postponement Denied. Judge Reed decided that he could not grant a postponement, Mr. Cuddy was put upon the stand to testify, and was examined and cross examined at considerable length, stating where disputed land was located, from whom it was purchased by him and that the company had excavated upon his land and were using same as part of its tall race. He told of constructing a wing feeder, filled with stone and sinking same three days before the injunction was served upon him. Said at present he was engaged in manufacturing there, operating a handle factory, and using a gasoline engine for power. Judge Reed decided that he could

he thought there was at least a threefoot fail in the river at his property.
He intended to carry his crib into the
river as far as possible and still keep
within his property limits and still
insists that he proposes to develop the
power by diverting the water by a
wing-feeder diagonally. Said that he
owned 1,900 feet of water front. Has
a water wheel on the ground and expects to turn out handles but when he
purchased the property had no idea of
manufacturing anything, having a
mere desire to acquire the property.
Company had piled waste material on
his land to a depth of 25 or 30 feet.
He stated that he thought he could
get a power of 27 horsepower as Engineer Sheldon of Providence had said
he could get it. The company had destroyed his power completely.
Injunction Served First,

Injunction Served First. It was brought out by Attorney Hall that the construction of the building to house the gasoline engine temporarily was not commenced until after injunction was served.

Treasurer Robbins Testifies. Testimony was also given by Treasurer Robbins of the company to the effect that the company owned the land where the tail race was constructed. He said he had seen the fence which Cuddy had built.

Motion Denied. When the argument was made Judge Reed denied the motion that was to the effect that the injunction be dis-solved or modified.

SPECIAL BOROUGH MEETING.

Matter of Changing Sewer Terminal Left With Warden and Burgesses to Report Not Later Than Sept. 15-Warden and Treasurer Empowered to Make and Deliver Notes.

dly make appropriation for contem-lated improvements characterized the pactal borough meeting of Friday evening. Warden W. G. Ballard presided, and at the time of the greatest attendance about 100 were present in the Town hall. The matter of changing the location of the sewer terminals, now under the Brooklyn bridge over the Quinebaug river, was first discussed. The consideration of this question follows the request of the Quinebaug river, was first discussed. The consideration of this question follows the request of the Quinebaug river was first discussed in this section during the eclipse of the many observers were enabled to get a fair view of the phases of the college. tion follows the request of the Quinebaug company for a change, on the claim that the river is being polluted and that the odor from the sewer discharge is offensive.

C. E. Chandler, civil engineer, of Norwich, who made the original sewer plans six years ago, was present and reviewed the circumstances that led to the location of the sewer terminal at its present outlet. This terminal was then regarded as temporary and decided upon to save for the time being the much greater expense of building a long and expensive stretch of sewer to a permanent terminal on the Quinebaug river at a point below the

Quinebaug river at a point below the Quinebaug company's mill. Changing the sewer terminal to a point in that vicinity, was for the meeting to con-Change Will Cost \$7,000.

Mr. Chandler estimated approximately that the cost of such change would be about \$7,000. After prolonged discussion, the following resolution by Judge Milton A. Shumway, which incorporates amendments by Dr. W. E. Hyde and Timothy E. Hopkins, was adouted.

This train, to come out from ton, will be due here at 10.50 a and will go as far west as William tic, making stops at Pomfret Hampton. On the return trip the will leave Putnam for Boston at 4 m. This is a Sunday train only.

New Train from Worcester.

adopted:
"That the warden and court of bur "That the warden and court of burgesses be empowered to borrow such sums of money as may be necessary to provide for the expenses of the borough, and also for taking care of the indebtedness of the borough, when new loans can be secured at a rate of interest lower than is being paid, when the loan is made, and to that end the warden and treasurer may make and deliver notes of the borough pledging the full face and credit of the borough, such notes to be signed by the treasurer and countersigned by the warden, and made payable at such times and places and at such lower rates as the warden and treasurer may arrange."

operate the mill of the Danlelson Worsted company, which has been closed for several months. The plan is for the mill to do eastom weaving, a class of work which seems to offer a profitable means of operating the mill.

To Sing Gospel Songs.

Next Sunday evening at the Methodist church, Rev. R. S. Cushman will open the service with gospel songs from Alexander's song book.

Sunday, June 13, will be observed as Children's day and an unusually interesting programme is in preparation.

To feasibility and cost, to report at the next borough meeting.

William H. Barron introduced a resolution authorizing the warden and burgesses to lease Borough hall or if any offer to cell is received to report to a special borough meeting.

Authority was also given the court of burgesses to receive proposals for the saie of the hose station and the tower and bell on Center street.

The first Monday in September was fixed as the date for paying the 1909 taxes.

It was also voted as a request that hereafter the warden and burgesses
